Indenting Units	18.07.2024 to 22.07.2024	For placing indent

The Direct Recruitment Quota vacancies should be assessed duly considering the unforeseen vacancies on account of Voluntary retirement, resignation, medical de-categorization, death, etc., (on the basis of past 03 years figures or as mentioned in ORIMS). The vacancies that will arise on account of selection in higher grade should be taken under the head anticipated vacancies. For example, for assessment of vacancy to the post of APM, L-1, the vacancies that would arise due to the employees getting empanelled to various posts in group C viz., Train Manager, SM, CCTC etc., to the extent of percentage earmarked for them should also be accounted for.

In future, all the indenting units should carry out the exercise of assessment of the vacancies in various categories one month in advance as per the above Annual Calendar so that when the OIRMS is opened for assessment of vacancies/ placing the indents as per the Annual Calendar, the manpower requirement of the divisions/units is fully taken care of.
