

**Appeal for execution of works under Corporate Social Responsibility (CSR):**

Indian Railways has taken the "Swachh Bharath Mission" of Hon'ble Prime Minister of India forward with extra ordinary zeal, resulting in a cleaner and greener Railway that has come in for appreciation from all quarters. Indian Railways has given a trust towards environmental protection and cleanliness in the recent years, an off shoot of Hon'ble Minister of Railways efforts towards making the organisations people friendly and responsible to the needs of society.

In view of the above, number of works such as installation of Water Recycling plants, Low cost water vending machines, Lifts, Escalators, Battery operated vehicles on platforms, provision of toilets, etc. To name a few, have been identified to be taken up under CSR

In this context, I would like to seek the involvement of your esteemed organisation, to join hands with us as a part of fulfilling your **Corporate Social Responsibility (CSR)** objective towards execution of the works related to **Swachh Bharath Abhiyan**, Environmental Sustainability Works and Passenger Amenities in Railway premises.

**Deputy Chief Environment and Housekeeping Manager  
Central Railway, Mumbai**
