Re-registration of a consultant in another zonal railway during the original currency of three years can be done by following the procedure prescribed in Board's letter No. 83/W1/SP/12(Pt) dated 05.08.1994 which will be valid only for the remaining period of the original currency lapse of . However, after the original currency of three years, no re-registration should be allowed but an abinitio fresh registration by following the due procedure viz scrutiny by a committee of three SAG officers etc. has to be followed. In case no past performance is available at the time of re-registration, then the application has to be dealt with as if it is a fresh registration.
