Mumbai Division.

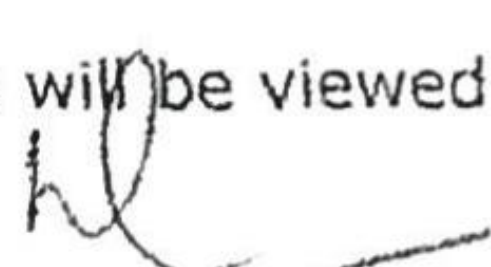

Sub: System improvement regarding wharfage charges of parcel packages in Parcel Office, LTT.

Ref: Dy.CVO(T) letter No. 2021/G.130/PC/01/02/00898/V1/V.Con dt. 16/03/2021.

In connection to the above subject and vide letter under reference, during the preventive check conducted by Vigilance team of Central Railway at parcel office/LTT on 05/02/2021, it was found that some packages were lying near Parcel Office/LTT and on being asked about the same the party has stated that the packages were stacked since 28/01/2021 for booking purpose. Hence party was unable to book these packages and stacked near parcel office. Hence wharfage charges from 20.00 hrs of 28/01/2021 to 17.00 hrs. of 05/02/2021 were realized from the party.

In view of the above, you are instructed as a system improvement, that Stacking register should be maintained strictly in each parcel depot as well as inventory should be taken twice in a shift and it should be numbered book to avoid any manipulation and wharfage should be collected on daily basis.

The above instructions must be strictly adhered to and failure to comply with the same will be viewed seriously.
