Solapur**

Sub: Electric connections in Personnel Branch - precautions.

...
Various sensitive records are maintained in Personnel Branch and any loose wiring or deficiency in electrical fittings may lead to fire incidents.

To over come with this situation, all the Section In-Charges of Personnel Branch are hereby advised to ensure that

1. Safe working of electrical connections provided in their Section
2. There should not be any loose wiring in their Section
3. While leaving office computers and electric connections are closed properly.

Further, all the Section In-Charges are hereby advised to point out any shortcomings in electrical connections from safety point of view in Personnel Branch to Shri.Ajay Sawant, Chief S&WI(HQ) by 16.00 hours today so that he will chase up the issue with Electrical Department for redressal of the shortcomings.

(Surendra Singh Barahat)
Sr.DPO/Solapur
