

ACTIVITIES - SAFETY DEPARTMENT

- **Safety Inspections** are regularly carried out.
- **Safety seminars** are conducted.
- **Creating Safety Awareness & awakening safety conscience** through various programs:
 - a) Dissemination of literature to staff and public.
 - b) Mock drills along with NDRF team.
 - c) Street plays (nukad-natak).
- **Safety Drives** as directed regularly by Headquarters & Railway-board.
- **Collecting reports with evidence, conducting Accident/SPAD inquiries** and ensuring completion/finalization of the same within prescribed time limit.
- **Updates/Status** on finalization of D&AR on staff held responsible for Accident/SPAD and **ensuring closure of the cases**.
- **Action Taken Report** on major deficiencies noticed during inspections and also on Accident/SPAD findings (System Improvement & Other matters brought to light).
