

Mobile Based- UTS on Mobile -

Process of mobile based UTS ticketing is as follows:-

a) Initially the passenger has to download the "UTS" app on his Mobile through '**Playstore**'.

b) Registration has to be done using the app, wherein the operator will be issued a Password. The User-Id will be the registered Mobile number. Automatically R-Wallet is created.

c) Passenger has to do Recharge R-Wallet which can be done either through E-Wallet (IRCTC) or across the Railway counter (Railway Wallet) for a minimum of Rs 100/- and maximum of Rs. 5,000/-

d) Ticket can be booked Beyond the geo-fencing range of 30 meters to 2 kms from railway track. For booking ticket the passenger has to send a request, after which he will get an image of the ticket on his mobile.

e) Tickets can be booked either paperless or paper Ticket.
