D.O. No. 2020/H/Misc

New Delhi dated 24.07.2020

Dear Shri Mittal,

Sub: Attendance of visually challenged employees for
payment of salary

It has been noted with concern that in some zones, salaries of the above category of employees belonging to Medical Department have been stopped for non-attendance at work places.

As you are aware, most parts of the country are facing transport close down leading to non-availability of public transport for ferrying railway employees, particularly people with the above said category of employees. Such employees may not be in a position to arrange their own transport.

It is, therefore, kindly advised to look into such cases personally and ensure that the above category of employees are not put to wage loss for non-attending at work places due to non-availability of public transport. As far as possible, such employees may be provided with official transport / rail connectivity facility, failing which they are to be allowed to work from home and full attendance must be marked for the purpose of payment of wages.

With regards,

(DR.B.P.NANDA)

Shri Sanjeev Mittal
General Manager
Central Railway
