department-wise and month-wise.**

As the Railways are aware, Indian Railways carries out wide range of works for creation, repair and maintenance of its various assets including stations, coaches, wagons, coaching depots, locomotives, tracks, etc. These works are executed either through its own workers and/or through outsourcing (particularly non-core activities) to contracting agencies. These agencies work for the Railways and engage workmen/labourers towards execution of these contracts. IR engages contract labourers only in a few categories against vacancies such as para-medical staff and school teacher for short period only.

2. The Railway are also aware that the issues relating to engagement of contract labour have been engaging the attention of the Board from time to time. In this connection, the Board have desired the details of engagement of contract labour, **department-wise and monthwise**, during the last three financial years i.e. 2017-18, 2018-19 and 2019-20.
