

HIGHLIGHTS (TRSO/BB)

अप्रैल-2023

महत्वपूर्ण कार्य

1. Sectional videography for E-road learning of all Main line sections (except Ghat section) has been completed. The work of sectional videography of Harbour line is under progress. Expected date of completion 20.05.2023
2. GM Inspection has been carried out at ROHA Running Room on dated 02.03.2023.
3. ROHA Running Room taken over from KRCL on 21.12.2022. AC provision has been done at Running Room. Contract of General Upkeep & Management of ROHA Running Room including cleaning, Provision of subsidized meals, serving of Call book, linen washing & maintenance of RO water purifier has been proposed for two years. Tender has been opened on dated 27.04.2023. Case is under Technical evolution.
4. GM sanction received on 13.02.2023 for operation of freight trains having trailing load 1600T with working loco up to 60 kmph, load more than 1600T & up to 3500T with working locos up to 40 kmph and load more than 3500T & up to 5400T with 3 WAG7 as assisting locos in front up to 40 kmph. Same will be implemented in phase manner.
5. For the First time, LRD of Solapur Division has been given to Crew of BB Division for Vande Bharat Express (22223/22224, CSMT-SNSI-CSMT & 22225/22226, CSMT-SUR-CSMT) which was started on 10.02.2023, Crew are being worked end-to-end upto Shirdi & Solapur station respectively.
6. After meticulous planning & execution, Stagnation removed from the Promotional process of Motormen to LPM. 24 Motorman has been promoted & posted to LPM on dated 23.11.2022. 23 Motorman is under Training for LPM from 28.11.2022. Another batch of 19 Motorman is under Training for LPM from 25.01.2023.
7. Outsourcing of Loco Cab Cleaning & Loco Look out Glass Cleaning at Trip Sheds of BB Division has been proposed. Same approved by DRM/BB, Finance Concurrence has been obtained & file sent to HQ for similar nature work.
8. Working/live RS flap valve model has been installed in all crew booking lobbies. CLIs are giving practical demonstration to ALPs to remove their hesitation in operating RS valve when needed.
9. Critical signals have been identified and circulated to all Running staff so that LP can control his train (BMBS) accordingly to avoid SPAD.
10. No. of SPM analysis has been increased from Avg. 10 per day to Avg. 20 per day to check the driving habits of LPs like BPT, BFT, C/O observation, Short controlling, Over speeding and under speeding etc. This has tremendous positive effect on monitoring of crew.
11. Augmentation of Running Room at IGP, LNL & SNPD for enhancing Bed capacity has been sanctioned. Tender floated and LOA issued.
12. In April-2023, Trip Inspections of 401 Electric Locos & General Safety checking of 1956 Electric Locos have been carried out.
13. 799 Mandays training imparted at MTC/KYN & 1368 Mandays training imparted at MTC/CLA in April-2023.
14. Demand for provision of Air condition at MTC/CLA & MTC/KYN has been initiated & proposal not sanctioned by DRM/BB due to non-availability of fund in year 2022-23. Hence, same will be re-proposed in 2023-24.
15. Air condition in augmentation of Running Room at IGP, LNL & SNPD will be proposed under DRM works program 2023-24.

कर्मचारी प्रबंधन

MTC/KYN

- One day Intensive course has been conducted and total 78 Trainees {51 LPG, 23 ALP, 04 LPM} are being trained in the month of April-2023.
- PUSH PULL Training has been conducted, in which 03 LPG have been trained.
- VANDE BHARAT Training was given to 27 ALP in the month of April 2023. Training of 02 LPM and 05 ALP is on going.
- 08 LPG were given UP/GHAT Goods (LIGHT LOAD) Training.
- 01 LP GHAT was given GHAT refresher course, 02 LP GHAT Refresher course is on going.
- 25 M/M ongoing promotional Training to LPM in APRIL 2023.
- 01 LPS completed refresher Training and 01 on going.
- 05 ALPs were given AC – DC refresher Training.
- Ghat promotional training of 05 M/M completed.
- MLD Course Training of 32 ALPs is completed.
- 02 LPG and 30 ALPs completed crash training, 03 ALPs on going crash Training.

MTC/CLA

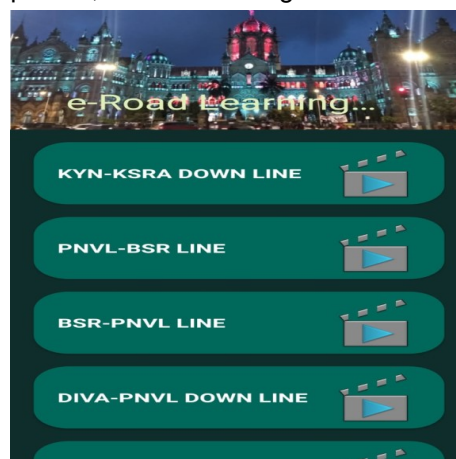

- i. One day intensive course has been conducted and total 114 Motormen were trained in the month of April-2023.
- ii. Total 311 trainees were trained in this month of April-2023. Following are the courses & number of Trainees trained:-
 - Special Safety camp has been conducted in which 31 Motormen were trained.
 - Refresher course of 19 motormen has been completed and 16 are under training.
 - 22 trainees have given Pre-promotional CLI training to SC/ST Staff & 17 are under training.
 - Saksham training of 114 Motormen have been completed.
 - 7 Train Managers have been given Promotion course traing & 20 are under training.
 - EMU Conversion Traing given to 4 Motormen & 4 are under Training.
- iii. One Video on precautions to be taken to avoid SPAD & two videos on AWS are being shown to trainees at MTC/CLA.

HIGHLIGHTS (TRSO/BB)

मई-2023

महत्वपूर्ण कार्य

16. An Android app “**Say No to SPAD**” is launched. This app includes all safety, traffic and operating instructions, manuals, rule books, troubleshooting directories, signal layout, quizzes, E-road learning videos etc. for easy one point reference of crew.

17. New **software for Speedometer Chart Analysis** of Suburban and Mail train has been developed and same is being used for speedometer chart analysis of crew and analyse their way of working.

महत्वपूर्ण कार्य

75. Counselling Session/Workshop for CLI's of BB Division was conducted by Scientific Officer & DEE/TRO/CSMT at DRM meeting Hall CSMT on date 14.09.2023.

76. Family Safety Seminar was organized at PNVL on date 09.08.2023 in which 40 Families participated. Similarly, Family Safety Seminar was organized at KYN on date 28.08.2023 in which 23 Families participated. Sr.DEE/TRO/BB, Sr.DSO/BB, DEE/TRO/BB & ADEE/TRO/BB addressed the gathering.

77. Safety Seminar was organized at MTC/CLA on date 18.08.2023 which was addressed by Sr.DEE/TRO/BB, Sr.DSO/BB & ADEE/TRO/BB.

78. CSMT-MMR Link for LP Mail has been introduced from 07.08.2023.

79. Diesel Simulator Training has been given to 243 ALP.

80. Following Crew staff promoted in September-2023:-

- 04 Nos Motorman promoted as LP Mail
- 37 Nos of LP Shunter promoted as LP Goods
- 01 ALP has been promoted as LP Shunter.
- 02 ALP posted as regular.

81. Safety Drives is being carried out in the Month of September-2023:-

- Week long Safety drive of the month.
- 30 days Safety drive for Elimination of SPAD.
- 15 days Safety drive – Prevention of SPAD.

82. Works of Development of New Trip shed of two pit lines at VVH & extension of existing trip shed along with New Ground + 2 Floors Building has been proposed. Approval from DRM/BB is obtained & same sent to HQ for shortlisting.

83. Outsourcing of Loco Cab Cleaning & Loco Look out Glass Cleaning at Trip Sheds of BB Division has been proposed. Tender was opened and TC is under preparation.

84. 909 Nos. of SPM analysis & 30 Nos. of CVVRS Analysis were carried out in September-2023 for checking the driving habits of LPs like BPT, BFT, C/O observation, Short controlling, Over speeding and under speeding etc. This has tremendous positive effect on monitoring of crew.

85. Augmentation of Running Room at IGP, LNL & SNPD for enhancing Bed capacity is sanctioned. Tender floated and LOA issued. Work is under progress.
86. In September-2023, Trip Inspections of 402 Electric Locos & General Safety checking of 1883 Electric Locos is carried out.
87. 1086 Man-days training imparted at MTC/KYN & 1976 Man-days training imparted at MTC/CLA in September-2023.
88. Proposal for Provision of Line boxes to Mail/Express Crew is processed. Approval has taken from DRM/BB. Bid evaluation criteria has been concurred by Accounts & awaited for sanctioned.
89. Tender for the work of Washing, ironing and supply of fresh linen at suburban area running rooms for a period of two years” was floated on GeM. Tender was opened on date 05.09.2023. TC is under preparation.
90. Proposal for procurement of CMS KIOSK (76 Nos.) is sanctioned. Indent is sent to HQ for signature of competent authority.
91. New proposal for Sand filling & Sander attention is sanctioned by competent authority. Bid evaluation criteria is concurred by Accounts & awaited for sanctioned.
92. Upkeep and maintenance of running room and lobbies for two years was processed. Bid evaluation criteria sent to Account for concurrence.
93. Quotation work for Training module through VR for MTC CLA is called. Sealed quotation was opened on 27th, September 2023. Waiting for the acceptance of the same.
94. Proposal for provision of CCTV camera at CSMT Running room has been sent to Account for concurrence.
95. Work of “Data Entry operators at Crew booking Lobbies & Trip sheds” was initiated & sent for administrative approval of DRM/BB.
96. Development of New Running Room at KCS & SCS was started by Engineering department.

GOOD WORK DONE BY RUNNING STAFF & TRIP SHED STAFF					
Sr. No.	Date of incident	Train No	Motorman/ Staff	HQ	Detail of good work
1	07-10-2023	BR-29	M K Guha	CSMT	While working Tr No BRVD-7, motorman noticed that BR S-2 was wrongly given Green. He stopped his train before signal & informed the same to DY SS BR through train manager about same and M/man same informed to SCOR HB. Later on signal was put back & proper yellow diversion signal was given.
2	09-10-2023	BRVD-7	Sumant K Chaudhary	CSMT	While working Tr No BR-29, motorman noticed that BR S-2 was wrongly given Green. He stopped his train before signal & informed the same to DY SS BR through train manager about same. Later on signal was put back & proper yellow diversion signal was given.
3	11-10-2023	S-23	Prahlad R Choudhari	KYN	While working Tr No S-23, Motorman noticed an injured person near KM 18/146 between UP LL & DN TH track. He immediately stopped his train & informed Train manager. With help of passengers, TM boarded that person into coach & handed over to RPF at GC station.
4	12-10-2023	K-126 (SLOW)	Ashok P Kunkulol	CSMT	While working Tr No K-126 (SLOW), motorman noticed that PR S-28 was wrongly given yellow diversion while train was for CSMT. He stopped his train before signal & informed the same to DY SS BR through train manager about same. Later on signal was put back & proper Green signal was given.

HIGHLIGHTS (TRO/BB)

नवंबर-2023

महत्वपूर्ण कार्य

1. Inspection of MTC/KYN was done by AM/Traction, Railway Board on dated 06.11.2023. Interaction with Loco Pilots/Motorman was also done.

2. AM/Traction appreciated the application "Computer based Counselling", prepared by Motorman Shri Jaykumar.
3. Family Safety Seminar was organized at KYN Officer's club on date 09.11.2023. About 26 families were participated.
4. "Virtual Reality based Troubleshooting Module" prepared for imparting training to crew through modern technology. This module inaugurated by GM/CR on dated at CSMT Lobby.
5. Following Crew staff promoted in November-2023:-
 - 02 Nos Motorman promoted as LP Mail
 - 25 Nos of LP Goods promoted as Motorman
6. Safety Drives is being carried out in the Month of November-2023:-
 - RB's intensive safety drive to prevent SPAD.
 - RB's week long safety drive.
 - Special Safety Drive to check packing of bag before reaching destination
 - Special Safety Drive for counselling of ALPs to eliminate SPAD.
 - Winter preparedness drive.
 - 15 day Drive for checking of A-9 handle/Reversor knob position
7. Works of Development of New Trip shed of two pit lines at VVH & extension of existing trip shed along with New Ground + 2 Floors Building has been proposed. Approval from DRM/BB is obtained & same sent to HQ for shortlisting.
8. Outsourcing of Loco Cab Cleaning & Loco Look out Glass Cleaning at Trip Sheds of BB Division has been started from dated 23.11.2023.
9. 905 Nos. of SPM analysis & 10 Nos. of CVVRS Ananlysis were carried out in November-2023 for checking the driving habits of LPs like BPT, BFT, C/O observation, Short controlling, Over speeding and under speeding etc. This has tremendous positive effect on monitoring of crew.

10. Augmentation of Running Room at IGP & LNL for enhancing Bed capacity is sanctioned. Tender floated and LOA issued. Work is under progress.
11. In November-2023, Trip Inspections of 391 Electric Locos & General Safety checking of 1899 Electric Locos is carried out.
12. 553 Man-days training imparted at MTC/KYN & 1393 Man-days training imparted at MTC/CLA in November-2023.
13. Proposal for Provision of Line boxes to Mail/Express Crew is processed. Approval has taken from DRM/BB. Tender has been floated on GeM portal with Tender opening date of 14.12.2023.
14. Tender for the work of Washing, ironing and supply of fresh linen at suburban area running rooms for a period of two years” was floated on GeM. Work has been started from dated 27.11.2023.
15. Proposal for procurement of CMS KIOSK (76 Nos.) is sanctioned. Indent is sent to HQ for signature of competent authority. Further, HQ advised to process the same through relevant Plan Heads. Same has been planned under PH-16 & sent for administrative approval of DRM/BB.
16. New proposal for Sand filling & Sander attention is sanctioned by competent authority. Bid evaluation criteria is concurred by Accounts & sanctioned of same has been obtained. Tender has been floated on GeM portal with TOD of 14.12.2023.
17. Upkeep and maintenance of Running room and Lobbies for two years was processed. Approval has taken from DRM/BB. Tender has been opened on date of 13.11.2023. TC is under finalisation.
18. Proposal for provision of CCTV camera at CSMT Running Room has been sent to S&T department for Technical clearance.
19. Work of “Data Entry operators at Crew booking Lobbies & Trip sheds” is approved by DRM/BB. File has been sent concurred by Accounts & sanctioned by DRM/BB. Bid evaluation criteria will be vetted by Accounts department.
20. Renovation of Running Room at KCS & SCS has been started by Engineering department.
21. PNVL YD running room has been shifted into new building after yard remodelling from 10.11.2023

जनवरी –2024

महत्वपूर्ण कार्य

1. GM/C.Rly has awarded Rs.30,000/- to KYN Suburban Lobby & KYN Running Room during GM inpection CSMT-KYN section on dated 28.01.2024.
2. Computer based counselling has been started in Crew booking Lobbies. Through this crew has been counseled by CLI regarding all the operational attributes.
3. **Virtual Reality based Troubleshooting Module**” prepared for imparting training to crew through modern technology.
4. RS Valve Simulator has been developed for proper Hands-on Simulation of braking pattern & Braking distance of Train working with different types of stocks & in different Gradient sections, can be experienced by the Crew.
5. The following safety drives are being carried out in the Month of January-2024:-
 - Special Safety drive on rolling down of locomotives/ trains
 - RB's week long safety drive.
 - Safety during shunting movements stabling.
 - Railway Boards Intensive Safety drives to prevent SPAD.
6. 1335 Nos. of SPM analysis & 138 Nos. of CVVRS/ADAS Ananlysis were carried out in January-2024 for checking the driving habits of LPs like BPT, BFT, C/O observation, Short controlling, Over speeding and under speeding etc. This has tremendous positive effect on monitoring of crew.
7. Works of Development of New Trip shed of two pit lines at VVH & extension of existing trip shed along with New Ground + 2 Floors Building has been proposed. Same is shortlisted from Divisional & HQ & then sent to Accounts for vetting.
8. Proposal for “Revovation work at Trip Shed CSMT, LNL & IGP” has been approved by DRM/BB & same is sent to HQ for shortlisting.
9. In January-2024, Trip Inspections of 490 Electric Locos & General Safety checking of 1789 Electric Locos is carried out.
10. 3025 Man-days training imparted at MTC/KYN & 1452 Man-days training imparted at MTC/CLA in January-2024.
11. Proposal for Provision of Line boxes to Mail/Express Crew is processed. Approval has been taken from DRM/BB. Tender opened on dated 14.12.2023, same is under Tender committee scrutiny.
12. Proposal for procurement of 66 Nos. CMS KIOSK is sent to BSL Division for further process in PH-16 capital works.
13. New proposal for Sand filling & Sander attention is sanctioned by competent authority. LOA is issued on dated 24.01.2024.

14. Upkeep and maintenance of Running Room and Lobbies for two years is sanctioned. LOA issued & Work started from dated 15.01.2024.
15. Work of "Data Entry operators at Crew booking Lobbies & Trip sheds" is approved by DRM/BB. Tender will be opened on dated 12.02.2024.

MTC/KYN

- One Day Intensive Course has been conducted and total 130 Trainees (38 LPG, 82 ALP, 10 LPM) are trained in the month of January-2024.
- Safety Camp was given to 09 trainees {3 ALP, 6 LPS} in January – 2024.
- 07 LPG trained for PUSH-PULL in the month of January - 2024.
- 03 LPM and 06 ALP trained for VANDE-BHARAT in the month of January – 2024.
- 01 MM promoted to LP-GHAT in the month of January – 2024.
- 2 LP-GHAT are under GHAT Refresher training in January - 2024.
- 4 LPS completed LPS Refresher and 6 LPS are under training in January - 2024.
- 3 Mutuall ALP's were given Initial AC-DC Training in January - 2024.
- 9 LPG were given UP/DN GHAT Mail/Exp training in January - 2024.
- 52 LPG were given Ghat Light Load training in January - 2024.
- 50 MM are under LPM promotional training in January - 2024.
- 01 LPS completed LPG handling in January-2024.
- 62 ALP are under LRD in the month of January – 2024.
- 67 ALP were given Crash Course in January – 2024. 01 LPG and 01 ALP are under training.
- 16 LPG were given Practical Training in January - 2024.

MTC/CLA

- i. One day intensive course has been conducted and total 71 Motormen were trained in the month of January-2024.
- ii. Total 291 trainees were trained in this month of January-2024. Following are the courses & number of Trainees trained:-
 - Safety camp has been conducted in which 31 Motorman were trained.
 - Safety Seminar has been conducted in which 16 Motorman were participated.
 - 05 motormen have been completed M/man Refresher course.
 - 01 EMU Shunters have been completed LPS Refresher course.
 - Saksham training of 71 Motormen have been completed.
 - 30 Trainee Motormen have been completed of M/man Promotion course.
 - 25 Trainee Motormen are under training of M/man Promotion course.
 - 65 Trainee TM have been completed training of TM Promotion course.
 - 26 M/Men completed MEDHA EMU Training.
 - 26 M/Men completed BHEL AC EMU Training.
 - 24 M/Men completed BT EMU Training
- iii. One Video on precautions to be taken to avoid SPAD & two videos ON AWS are being shown to trainees at MTC/CLA.

GOOD WORK DONE BY RUNNING STAFF & TRIP SHED STAFF

Sr. No.	Date of incident	Train No	Motorman/ Staff	HQ	Detail of good work
1	03-01-2024	T-70	S S joshi	CSMT	While working Tr No T-70 (15 car), Motorman noticed signal no CSMT S-48 was given Yellow diversion for PF No 5. He stopped his train before signal & informed Train manager. Later signal was put back & proper signal for PF No 7 was given.
2	06-01-2024	BL-28	K R Yadav	CSMT	While working Tr No BL-28, Motorman passed signals no SE 5602 in Yellow aspect & noticed train ahead on track. He immediately stopped his train at KM 55/34 & informed Train manager.
3	06-01-2024	S-26	K A Jethani	CSMT	While working train no. S-26, Motorman observed signal no SE 5602 in Yellow aspect which became double Yellow. He noticed train ahead on track. Motorman immediately stopped his train by applying emergency brakes before signal & informed Train Manager. Due to his alertness, an accident could be avoided.
4	08-01-2024	TL-25	M S G Shaikh	CSMT	While working Tr No TL-25, motorman along with NLI passed L-4903 in double yellow aspect & noticed that signal no TCY S-2 suddenly became RED from yellow. He stopped his train before signal & informed the same to train manager. Later on proper signal was given.
5	13-01-2024	V-51	S M Rizwan	CSMT	While working Tr No V-51, Motorman noticed signal no RVJ S-9 was given Green for KCE (WR side) whereas train was bound for VSH. He informed Train manager. Later signal was put back & proper signal Yellow diversion for VSH was given.
6	18-01-2024	T-101	Rajendra Singh Saini	CSMT	While working Tr No T-75, motorman noticed that signal no TNA S-19 was green for TNA PF No 2 whereas last destination was TNA and train can not proceed in UP direction from TNA PF No 2. He stopped his train & informed train manager about same. Later on signal was put back & proper signal yellow diversion for TNA PF No 1 was given.
7	20-01-2024	DL-22	M B Naik	CSMT	While working Tr No DL-22, Motorman noticed signal no PR S-28 was given Yellow diversion for PR terminus whereas train was bound for CSMT. He stopped his train before signal & informed Train manager. Later signal was put back & proper Green signal for CSMT side was given.
8	22-01-2024	PK-6	Y Gopi	CSMT	While working Tr No PK-6, Motorman noticed signal no DR S-46 & PR S-28 was given green for CSMT direction. Motorman stopped his train before signal & informed TM. Later signal was put back & DR S-46 was Yellow & PR S-28 was given Yellow diversion for PR terminus.
9	27-01-2024	BRVD-10	A S Shelar	CSMT	While changing cab at BEPR Motorman stumbled and fell on PF. He met with head injury and bleeding from head. After taking first aid, he worked UP train BRVD-10 upto destination. After that he was sent to hospital for medical aid.
10	27-01-2024	TVSG-DMN	R P Verma	IGP	While working train no. TVSG-DMN, load 42/42=3672T from KSRA to IGP. While approaching TGR-1 cabin, train detained near TGR-1 since BP pressure dropped, so LP Ghat stopped the train at KM 134/108. After examination found that load uncoupled between 6th & 7th wagon from front loco. Further he cleared the rear portion of 36 wagons by pushing back cautiously up to IGP down yard.

HIGHLIGHTS (TRO/BB)

फरवरी-2024

महत्वपूर्ण कार्य

1. Family Safety Seminar was organized at KYN Officer's club on date 09.02.2024. About 34 families were participated.

2. Computer based counselling has been started in KYN & PNVL Crew booking Lobbies. Through this crew has been counseled by CLI regarding all the operational attributes.

3. At KYN & PNVL Crew Booking Lobbies, RS Valve Simulator has been developed for proper Hands-on Simulation of braking pattern & Braking distance of Train working with different types of stocks & in different Gradient sections, can be experienced by the Crew.

4. The following safety drives are being carried out in the Month of February-2024:-

- Safety drives to avoid using BPCS, while entering loop lines, during shunting and while approaching Red signals, halt stations.
- RB's week long safety drive.
- Drive for counselling to Loco Running staff for prevention of SPAD.

5. Following Crew staff promoted in February-2024:-

- 60 Nos candidates posted as ALP.

6. 1349 Nos. of SPM analysis & 94 Nos. of CVVRS/ADAS Ananlysis were carried out in February-2024 for checking the driving habits of LPs like BPT, BFT, C/O observation, Short controlling, Over speeding and under speeding etc. This has tremendous positive effect on monitoring of crew.

7. Works of Development of New Trip shed of two pit lines at VVH & extension of existing trip shed along with New Ground + 2 Floors Building has been proposed. Same is shortlisted from Divisional & HQ & then sent to Accounts for vetting.

8. Proposal for "Revovation work at Trip Shed CSMT, LNL & IGP" has been approved by DRM/BB & same is sent to HQ for shortlisting.

9. In February-2024, Trip Inspections of 547 Electric Locos & General Safety checking of 1707 Electric Locos is carried out.

10. 3447 Man-days training imparted at MTC/KYN & 1341 Man-days training imparted at MTC/CLA in February-2024.
11. Proposal for Provision of Line boxes to Mail/Express Crew is processed. LOA is issued on dated 12.02.2024.
12. Proposal for procurement of 66 Nos. CMS KIOSK is sent to BSL Division for further process in PH-16 capital works.
13. New proposal for Sand filling & Sander attention is sanctioned by competent authority. LOA is issued on dated 24.01.2024.
14. Upkeep and maintenance of Running Room and Lobbies for two years is sanctioned. LOA issued & Work started from dated 15.01.2024.
15. Work of "Data Entry operators at Crew booking Lobbies & Trip sheds" is approved by DRM/BB. Tender has been opened on dated 12.02.2024. Work is under Tender Committee scrutiny.
